Thank you so much for the splendid arrangements during my recent visit [redacted]. I am sorry we descended on you with such a tribe, but we all had a magnificent time and a most useful education at the same time. You were very kind to host us all at lunch on the day of our departure, and I especially appreciated the chance to see what you have done with some of the local primitive art. The arrangements were fine in all respects, and I am sure we all profited from the visit enormously.

Thanks again.

Sincerely,

/s/ W. E. Colby

Please let me express my deep appreciation for your courtesy in receiving me during my recent visit to [redacted] from our very first conversation in your home through the other meetings I had and at the magnificent dinner in the desert, I learned a great deal about Saudi Arabia, and I obtained the greatest pleasure in meeting your many fine associates. It is a great pleasure for us to move ahead to further cooperation with you and your services, and I will hope that the greater understanding I gained in [redacted] will facilitate this process.

Thank you again for your courtesies during the visit.

Sincerely,
